Smart corporate gym – maximum effect, minimal effort

Everything you need. One solution.

A complete training package with Speediance & VeloNix – ready to use right away.

More value – without higher cost

Leasing means you get more equipment, better operations, and no downtime.

An investment, not a cost

Healthier employees. Fewer sick days. Higher performance.

Training that actually happens

When the gym is at work – it gets used. Simple, fast, effective.

Flexibility for the whole team

Train at work or at home. No commute. No excuses.

A solution that pays off

Perfect for companies with 15+ employees.

Retail price - €7900

Leasing min. 5 packages. Limited availability – secure your delivery today.

Due to high demand, we recommend securing your delivery by placing your order today.

A deposit of €1,000 is required to confirm your order, with the remaining balance payable upon delivery.

We only sell to businesses that have a valid VAT number

This is an investment, not a cost
